This weekend in Mattapoisett is a reminder of the land of Evangeline, Nova Scotia, so we have featured that locale on our cover. One of the most attractive places there is the cove area that runs from Halifax, east to west. Our cover is a photo of Peggy's Cove, as are the accompanying shots. It is hard to believe that this gentle water is an extension of a pounding surf just a few hundred yards away but that is the fact. A huge stone cliff climbs high above these fishing boats and then descends to the ocean

Old Police Station Renovation Progresses

MATTAPOISETT SELECTMEN'S MEETING FEBRUARY 26, 1991-by VIRGINIA MORGAN

Selectmen Chairman John DeCosta reported to fellow board member Selectman Bernard F. Talty that renovation plans for the old police station are moving right along thanks to the help of members of the highway and water departments and Building Inspector Andrew J. Bobola.

The chairman said the building inspector has been making preliminary plans for office changeovers and for breaking through from the old station into the town hall and making a doorway connecting the two. Highway and water department employees have been doing a lot of the work and this will save the town money on labor costs. The locker room, interrogation room and the control center rooms have all been gutted. "we are now in the process of framing the walls and leveling the floors", the chairman said.

Tentative plans are to move the town accountant's and treasurer/tax collector's offices to the rear area when the wall is broken through and a connecting door in place. Other office moves are in the dis-

cussion stage, Mr. DeCosta added.

In a personal comment after the meeting, Building Inspector Bobola stressed credit should be given to Chairman DeCosta for his "leg work" in getting materials and working on his hands and knees to remove the old floors. "He has helped tremendously with his ideas and with his labor; this man is 100 percent for the Town of Mattapoisett", Mr. Bobola said.

In other business, Selectmen:

GAVE ITS APPROVAL to Fire Chief Donald Wood to have an energy audit done at the fire station.

The Chief told selectmen Scallop Thermal Management, Inc. agreed to do the audit at no charge to the town. He said Walter Morgado, Deputy Chief, contacted ComElectric who referred him to the management company.

Chief Wood commented "we will probably wind up with all fluorescent lights, which won't be a bad idea."

Chairman DeCosta noted whatever the audit company recommends should be done or the department won't get the full advantage of energy savings.

APPOINTED Peter Kortright and Donald Preissler as members-at-large to the Finance Committee, at the recommendation of its chairman, Robert Banz. Their terms will expire April 1, 1994.

Mr. Banz wrote, saying "At the last special town meeting approval was given to the expansion of the committee from five to seven members, in principle.

"Both Kortright and Preissler have served voluntarily for several months to help us

Our commitment to service comes with a money-back guarantee.©

If we make a mistake, you shouldn't have to pay for it.

Lots of banks promise good service.

At Plymouth Savings Bank, we do more than just promise; we're putting our money where our promises are.

We know that nobody's perfect. Even banks make mistakes.

We also recognize that if *we* make the mistakes, *we* should face the consequences.

Here's how it works.

If we make a deposit or withdrawal error, we'll pay you $5.

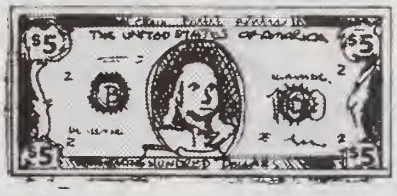
On all deposit accounts (savings, checking, CDs, etc.), if a deposit or withdrawal error is made, it will be corrected, any fees associated will be rebated and $5.00 will be deposited in the appropriate account.

If we make a transfer error, we'll pay you $5.

Transfers of IRAs from Plymouth Savings Bank to any other bank, if in error, will result in a waiver of the $25 fee and the customer will be given $5.

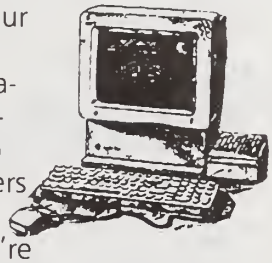
If we give you poor consumer loan service, we'll pay you $5.

If we don't have an answer for your completed consumer loan application in 24 hours, we'll give you $5.



We want you to know that service is, and always has been, a priority at Plymouth Savings Bank.

You'll never hear us say, "The computer did it," or "It's not my job," or heaven forbid, "We tried to get in touch with you," etc.



From our tellers to our operations personnel to the officers of the bank, we're committed to service.

People serving people. That's what it's all about.

It's your money and your peace of mind. When you bank with the professionals, we back up our promises with a money back guarantee.

WERE INFORMED by Carol Kaner that she would like to make available a baby sitting service at the May 4th annual town meeting at Old Rochester Regional High School. She is in the process of finalizing her plans with the high school administration.

Selectmen had no objection to the proposal providing the proper conditions are approved by the school officials.

WERE NOTIFIED by Town Accountant Joseph R. Bolton that he would like to seek public bids for audit services for fiscal years 1991, 1992 and 1993. He said currently the town is in its third year of a three-year contract with the firm Brown and Barrett. There are funds reserved in the 1990 budget to complete this audit

contract, he said.

Mr. Bolton said several C.P.A. firms, including Brown and Barrett, have contacted him expressing a desire to bid on the new contract. "Because of the economic conditions at the present time, I feel it would be a good idea to seek bids even though audit services are exempt from the recently adopted Procurement Law. You, the Selectmen, have the authority to make the decision as to whether or not bids should be solicited."

The accountant added that if the town received more than $100,000 in state or federal funds an audit is required every year. "We do meet those requirements; however, this year will be different because of the Enterprise Funds."

Selectmen agreed to seek bids and noted there will be a need for an article for the annual town meeting seeking the funds for a three-year contract. Selectmen will have an article prepared and agreed the bid process is the way to go to save money.

ond, a non-priority, is the Mobil Gas Station, 37 County Road (corner of Route 6 and North Street.)The Conrad Roy property was the site where a lead-poured boat keel operation was conducted for many years.

A priority disposal site constitutes a substantial hazard to health, safety, public welfare or the environment. For both priority and non-priority sites, a plan for achieving a permanent solution must be developed, the DEP informed the selectmen.

WERE NOTIFIED by the U.S. Army Corps of Engineers that Indian Cove Trust has requested a permit under the Rivers and Harbors act of 1899 to mechanically dredge approximately 667 cubic yards of sand to a depth of two feet from 9000 square feet of an existing channel in Aucoot Cove.

Public comment is sought by the Engineers and may be addressed to 424 Trapelo Road, Waltham, MA. 02254-9149.

Selectmen noted a copy of the notice will be sent to Shellfish Constable Brian Nunes for his input as to the effect on shellfish in the area.

gency helicopter service. The letter was addressed to Police Lt. James A. Santos, Mattapoisett's EMS Coordinator.

The hospital director wrote, "Regarding the Management of Traumatic Emergencies from the town of Mattapoisett, there have been several patients from Mattapoisett who have been transported by air to Boston. The citizens of Mattapoisett have been covered and have had the availability of air-transport since inception of the Paramedic Program in March 1988. Mattapoisett has the capability of calling any of these services from the cellular phones in their vehicles."

Congregational Church

MATTAPOISETT

We are now looking at the peace process, and it is as uncertain as the war was in the beginning. Our world presents us with unfamiliar pictures of life each day. Whatever our formative years were, we can get stuck in them and expect the world to look the way it did back then. We become aliens in our own time and place. When all seems unfamiliar (including the church), can we still sing the Lord's songs? While standing in the midst of what we perceive to be rubble, can we still praise God?

The title of the sermon this Sunday at the Mattapoisett Congregational Church will be "How Can We Sing God's Songs?" Our worship service begins at 10:00 a.m. Nursery service is available. All are welcome; please join us.

Navy Showband Concert

SUPPORT FOR THE TROOPS

The Navy Showband will present a concert on Thursday, March 14th, at the Acushnet Elementary School, sponsored by the Acushnet Drugs Including Alcohol Advisory Council. There is no charge for this concert.

The theme of the evening will be a show of support for the men and women who have been serving in the Gulf. One of those, Detective Charlie Pelletier, a member of the Army National Guard, is Acushnet's D.A.R.E. officer.

In a recent newsletter, the Advisory Council states "Unfortunately the war at home, that is the 'war against drugs', is a result of American weaknesses. We are quick to blame those individuals from Central and South America as well as other foreigners for importing drugs to our country but the fact remains that Americans choose to use the drugs and that is a real tragedy. Hopefully, with the war as a backdrop, people will take this time to look inward

Marion's Tree Nursery

TO THE EDITOR

Every day is Earth Day! All nature, living and growing, tells us that it is. Remember the seedling trees and bushes planted a year ago by the Brownies of Troop 167 under the auspices of the Marion Open Space Commission? Of the 100 planted, ninety-five are strong and healthy growing slowly as they should at Marion's Transfer Station Tree Nursery.

It will be several years before most are of planting age, but how quickly the Rosa Rugosa (wild rose) grew last summer. They blossomed then and are ready for planting this spring. We plan to do that in celebration of Earth Day 1991. The roses will be planted at Silvershell Beach behind the recently planted beach grass, making a natural fence of summer-long beauty. (Rob Zora, Supervisor Marion Department of Public Works, has agreed to try to find snow fencing to replace that on the water side.)

At the request of several residents, the Marion Board of Selectmen has appointed The Town of Marion Tree Committee, which has held one meeting. Two main goals were established: 1) To evaluate the status of our street trees and to determine the need for replacements and additions. 2) To identify areas in need of beautification, as at Silvershell Beach. Both tasks, especially the latter, will be coordinated with the plans and work of other groups. It will be most appropriate and important that our committee work closely with the Marion Garden Discussion Group, which has planted so many areas of beauty in Marion -- the village window boxes, Bicentennial Park, and Old Landing Park.

Always, residents' ideas will be welcome, as we work together to bring added beauty to the town. Our program is planned to continue indefinitely over many years, as funds and people are available. Last year the Rosa Rugosa were purchased with Town Party funds.

The plan for the Rosa Rugosa planting has not been finalized yet. When the date and time have been determined we will publicize it, and hope that it can be the great community effort such as the beach grass planting.

Gridiron Club

WHAT IS THE GRIDIRON CLUB?

The ORR Gridiron Club is a group of parents who are concerned with the football program at ORRHS. We serve as a link between the parents of the football players and the coaching staff. We are able to provide services and equipment that would otherwise be unavailable due to severe budget restrictions We try to provide that "something extra" that the athletic department cannot supply as well as those "extras" that should be made available to the players and the fans, etc, such as a banquet, awards, programs, meals at training camp, buses for special away games, and scholarships for

one cheerleader and two football players to continue their education.

A big fund-raising program is our concession stand. Here we sell hot dogs, soda and other refreshments at our home games. This is another activity that requires a great deal of volunteer help. We need people to man the windows, help with the general preparation of the food, pour coffee or soda and help with clean-up. We would appreciate any assistance you can give. Just one home game per season to support our children would be terrific.

Training camp in August is another place where volunteer help is greatly needed. The Gridiron Club provides an evening meal four nights a week. The meals are simple, such as American chop suey or subs and salad. We also have a cookout one evening during the camp. Help is always needed for the preparation and clean-up.

We also sponsor a season ending banquet which is always well attended. The banquet is generally catered in the cafeteria, but help is always needed for the set-up and clean-up.

During the regular football season meetings are held on Wednesday evenings from 7:00 to 9:00 p.m. in the teachers' dining room. After a short business meeting the coaches are on hand to show films of the previous week's game.

Our first meeting will be held March 6th in the teachers' dining room to discuss the BENCH-A-THON to be held on May 3rd. Please try to attend and become acquainted with us.

Friends of the Elderly

The Friends of the Elderly of Mattapoisett wish to thank all of its members for making its first year a successful one. After a year of researching the needs of the elderly of Mattapoisett we find that the need to establish a Drop-In Center should be our main goal.

In order to reach our goal we are continuing our membership drive and increasing our fund-raising activities. Rosalie Joaquin, our membership chairperson, is requesting that each present member do his best to recruit a new member. Call 758-2887 for membership forms.

We hope our members will continue to support our fund-raising and invite new members to do the same. Listed below are some of our up-coming fund-raising activities.

Box Lunch Project - Annual Town Meeting - May.

Spaghetti & Meatball Supper - Legion Hall - May.

Chinese Auction - "Homecoming Days" - June.

Chinese Auction - "Harbor Days" - July.

REMEMBER YOUR HELP IS NEEDED IF WE ARE TO FULFILL OUR GOAL. Call President Jim Joaquin at 758-2887 and volunteer to be "A FRIEND".

INTER-GENERATIONAL ACTIVITIES

Many of you are not aware of the Council's many activities. This week we would like to tell you about our Inter-generational activities.

Seniors are included in events and activities of the elementary schools and the Regional Junior and Senior High Schools.

New activities this year are students reading to the visually impaired and students delivering birthday cards and cakes, provided by Council members, to seniors 90 years or older on their birthday.

Girl Scouts make Valentine gifts for nursing homes and volunteers deliver them.

The youth of the community deliver daffodils and spring flowers to approximately forty shut-ins.

Girl Scout Cookies

"GREAT COOKIES FOR A GREAT CAUSE"

The Girl Scout Cookie Sale is now on, and when a neighborhood girl scout knocks on your door between March 1st and 17th please take a minute to think about the investment you really make when you buy Girl Scout cookies.

Plymouth Bay Girl Scout Council, Inc. would like to remind everyone of what the cookie sale is really all about

Selling Girl Scout cookies is an education. Girls not only learn how companies are managed and how to use marketing and sales techniques, but they also learn to plan for success and to achieve it.

But that's not all. Cookie proceeds directly benefit girls, their troops and their communities. Cookie sale proceeds help maintain Girl Scout camps and provide financial assistance to girls in need. They provide special programs for at-risk girls

Recycling Counts!

The first Mattapoisett Recycling Day was an overwhelming success!!!

On February 23rd our townspeople really showed their appreciation and need for recycling. The committee expressed thanks to all who came out on that frigid day.

That day was a learning experience for so many. Here's a list of helpful hints for recycling:

1) Remove all caps from all containers. Remove the pour-spout from the large laundry-detergent bottles (use pliers to pull it out or step on it; it "shatters" out).

2) Remove metal and plastic "rings" from necks of all plastic and glass con-

tainers.

3) Remove any styrofoam or plastic labels (the styrofoam feels "soft").

4) Only #1 and #2 plastic may be taken; look on the bottom of jars, bottles, jugs; see if there's a symbol like this:

5) We must separate plastics: opaque - milk, juice, water, windshield washer "jugs", amonia bottles; Clear - #1 plastic - vegetable oil, peanut butter, liquor bottles; colored - #2 plastic - laundry detergent, some shampoos. We'll keep you informed on other # plastics just as soon as we hear.

(Hints #1-5 are mandated by the Recycling Companies.)

5) The opaque plastic milk, juice, water, windshield "jugs" and ammonia bottles should be flattened (step on them); caps off, and strung together through the handles to speed up collection and make them easier for you and us.

7) Use a magnet to differentiate between aluminum and tin - magnet will be attracted to tin, not to aluminum. (Recycling Companies insist on tin and aluminum to be separated.)

8) If you wish, take both ends off clean tin cans, crush them (stand on them); saves lots of space at home and in the tin bin at the Recycling Center.

9) To do a little more for recycling, bring your returnable aluminum cans.

10) The Recycling Bins (at the Recycling Center) are:

1) opaque plastic - milk, juice jugs.

2) clear plastic - #1 only.

BUILDING TRUST THROUGH COMMITMENT

Earning the public's trust in serving its heating needs doesn't come easily. It requires a commitment to service through a team effort, beginning with a dedicated customer service staff ready to respond to your questions and needs. It demands well trained maintenance and installation technicians with the know-how to keep your equipment running safely and efficiently. Finally trust is earned through a delivery crew providing on time deliveries. WELD AND BULGER SPEAK
AT LEAGUE "DAY ON THE HILL"

On Wednesday, February 27th, four members of the Marion, Mattapoisett, Rochester League of Women Voters, Kay Reis, co-president, Jay Crowley, Alice Piehler from Marion and Joan Anderson from Mattapoisett, head of the LWV Massachusetts Social Policy Committee, attended the state League's "Day on the Hill" where the main speakers were the Governor of Massachusetts, William Weld, and the President of the Senate, William Bulger. After the meeting the local leaguers took the area's legislators, Representative John Bradford and Senator Erv Wall, to lunch at the Parker House.

Governor Weld commenced his remarks by stating that he supported the pro-choice side of the abortion issue and will veto any attempt to make the Massachusetts law more restrictive. He approves of lowering the age from 18 to 16 and changing the provision requiring the consent of both parents.

On the budget issue Governor Weld said the deficit was "structural", not temporary, the cost of the government of Massachusetts exceeds the "revenue stream" , in Fiscal '92 the bulk of his proposals is for spending cuts although he

intends to keep a safety net. He mentioned that he is requesting increased funding for AIDS preventions, neo-natal spending, the women's and infants' program, elderly home care, corrections and local aid for town road repairs. He intends to pare down the administrative layers involved in delivering services while not effecting direct delivery. He wants to "privatize and reorganize the delivery system", not "remove direct care providers".

According to Governor Weld, Public Health and Safety are the "core responsibilities" of government and he will see that they are maintained. On a second level are what he calls economic responsibilities: Education, Transportation, the Environment and the necessity to maintain a place where "commerce will thrive". 80% of the jobs in Massachusetts are found in small businesses of less than 100 employees. Weld wants to restructure the taxes so that an individual who starts a business and holds on to it for at least five years will not have to pay capital gains when he sells. He will also work to simplify regulations and increase our foreign trade.

The speaker of the house, Representative Charles Flaherty could not attend as the House had worked until 2:00 a.m. and his responsibilities kept him even later. Representing him was the newly appointed head of the House Health Care Committee, Representative Carmen Buell, who is an LWV member and

past president of her local league. Rep. Buell stated that health care affects everyone of us and that if we cannot get a hold on health care costs we cannot fulfill our other responsibilities. Health Care will be like "pac man" and eat the resources needed for education and human services. She ended by saying that the Speaker would want her to say to the audience that "we need your help and we are open and eager to your participation". Senator William Bulger, President of the Massachusetts Senate, addressed his remarks to the budget crisis. He stated emphatically that the most important thing for Massachusetts citizens was "not to lose heart, budget crises have happened before and the state has weathered them." He emphasized the fact that, even if Massachusetts were perfect, which we know it is not, "we would not have escaped the ravages of the national downturn", and he forcefully reminded the audience that among causes of Mass deficit were the facts that one, the state picked up the slack caused by Proposition 2½ and two, in the mid-eighties the federal government abandoned many vital programs which Massachusetts then assumed. He emphasized that, in spite of the critics, many good things have been done, "we have many good state employees and we should be bold and imaginative in seeking solutions".

aerobic workout using uplifting, yet soothing, music.

If the fast pace and loud music of a traditional aerobics class isn't for you, then give YogAerobics a try. This class is perfect for people who want to reduce stress, back pain and unwanted inches and pounds. Increase your relaxation skills and cardiovascular endurance and start slowly one night a week. Classes are held Thursday evenings from 5 to 6 p.m., a great time, since exercises of this nature are best done on an empty stomach. The cost is $16.00 for 8 weeks.

The instructor has been teaching exercises for over 15 years, is certified and has herself been helped with YogAerobics. Invest in yourself; a great class for the first-time exerciser, pre and post-natal woman, insomniacs and people with lower back sensitivities. Call Linda at 748-3039 for more information; pre-registration is required. This program is sponsored by the Mattapoisett Youth Athletic Association.

SALUTE TO LEONARD BERNSTEIN

In a special tribute to Leonard Bernstein, the New Bedford Symphony Orchestra will play a program of some of his best known works. With Music Director F. John Adams conducting, the concert will be held at the Zeiterion Theatre on Sunday afternoon, March 17th, at 3:00 p.m.

Bernstein's Chichester Psalms will be sung in Hebrew by a small chorus. These will be followed by a selection of the melodic dances from West Side Story and by the Candide Overture.

As a memorial to Bernstein, who died in 1990, the orchestra will play the Adagio from Gustav Mahler's Ninth Symphony, a work that he conducted many times to wide acclaim.

Now in its 76th year, the New Bedford Symphony Orchestra is comprised of professional musicians who strive to bring the best music of past and present to local audiences. This concert is sponsored in part by the Massachusetts Cultural Com-

no employees and do the repairs himself on a part-time basis to try to build up the business.

The Appeals Board found the general purpose and intent will not be detrimental to the established and future character of the neighborhood and town. The board did specify the following conditions and safeguards: Hours of operation will be 8 a.m. to 8 p.m. Monday through Saturday; no parking of motor vehicles on the Linhares lot; all parking will be on the northerly end of the stockade fence; automobile repairs will be performed principally inside the garage; existing fences will be maintained at all times in a good and sound condition; the permit shall expire upon a change of tenant or occupany of the premises.

Richard E. and Jean M. Sarris Cole of 8 Cathaway Lane were authorized the construction of a previously completed addition to an existing non-conforming structure, a single family dwelling on the 8 Cathaway Lane property. This application was filed as a result of the Appeals Board's decision granting in part an appeal on the building inspector's denial of enforcement action brought by Sally A. Ainsworth and Harry D. Ainsworth, abutters of the applicants to the south, and requiring the applicants to apply for a special permit.

Mrs. Ainsworth appeared at the public hearing in opposition to the unconditional granting of a special permit. She contended that as a result of the construction of the addition and regarding the applicants'

property excessive water run-off now flows onto her property. Mrs. Ainsworth admitted that "there was some water problem" on her property prior to the construction and regrading but contends that the water problem has been exacerbated by these changes.

The Ainsworths ask that the granting of a special permit be conditioned upon the installation of a drainage system by the applicants on the Ainsworths' property. The Ainsworths were given an opportunity to obtain expert opinions regarding the water run-off issue; however, no expert reports were submitted.

Applicant Richard Cole stated at the hearing that the water problem on the Ainsworth property was lessened after the construction and regrading. In support of his contention Mr. Cole submitted a report prepared by Michael J. Herlighy, Jr. of Plan Review Services concluding that the construction did not increase the rate or volume of run-off toward the Ainsworth's property, that the installation of drains as part of the construction directed roof run-off toward a stream at the rear of the applicants' property, thereby reducing drainage toward the Ainsworth's property, and that septic system installation resulted in the regrading of the front yard, much of which had previously drained toward the Ainsworth property, to slope toward Cathaway Lane and

away from the Ainsworth property.

Building Inspector Andrew J. Bobola stated at the public hearing that he was familiar with the Ainsworth property and described it as being "very wet" prior to the applicants' construction work. The complaint of the Ainsworths of run-off onto the road causing wet roads or icy conditions was not upheld by the building inspector who said during the two years since completion of the construction no complaints have been made to the building department regarding these conditions.

The third special permit was granted to Roland and Lynne Menard of 130 Fairhaven Road, relating to property at 39 Brandt Beach Avenue to rebuild a single-family dwelling with one bedroom on a non-conforming lot to repair and insulate the existing building at an estimated cost of $10,000.

The applicant had obtained a building permit on March 1, 1989 to do the repair work. Later, the building inspector received telephone reports that the roof and two sides of the building had been removed. A later report was that the two remaining walls had been knocked down. This resulted in a total demolition of the existing house.

The applicants' site plan showed a proposed building 25 feet by 20 feet with a front setback of 28 feet and side line south of 21 feet, the side line, north 60 feet and a rear setback approximately 110 feet. The existing well to be abandoned and the cesspool to be broken and filled. A new well five feet from Brandt Beach Avenue and 70 feet from the proposed septic system in the center of the rear property has been proposed. There are three sheds on the plan, two on the south side line and one on the north side line and all are in violation of the side line setback requirements; these three sheds must either be demolished or moved back 20 feet from the side line.

If the house is built in accordance with the submitted plan with a four foot deck on the south side then the foundation must be moved three feet to the north resulting in a 20 foot side yard set back in accordance with the law.

No one appeared in either opposition or in favor of the applicants. Two letters were received from abutters; one from Leonard Coffey stating his support of the Appeals Board to make the best decision for the town, abutters and the applicant; the second from Frederick T. Roach and Joyce-ann E. Roach, complaining of the taxes of their unbuildable lot and giving their consent to the applicant if they could also receive a special permit for their lot.

An application for a special permit was presented by the future owner, Lance Calise, agent for Florence McGowan regarding property owned by Ms. McGowan at 118 Fairhaven Road for alterations to an existing non-conforming structure, a single family, single story dwelling in the rural residence district. The special permit was granted.

The lot contains a total of 7,480 square feet. The structure has a west side setback of 9.5 feet which fails to meet the applicable 15 feet side setback requirement.

The size of the lot also fails to meet the applicable 15,000 square foot area requirement.

The proposed alterations to the existing 10 foot by 20 foot dwelling will be a 20 foot by 20 foot addition to the south side or rear of the dwelling. Although this addition increased the footprint, there will be no increase in the existing non-conformity. No one appeared at the public hearing in opposition. Two letters in support of the application were received in evidence from an abutter. The applicant has approval from both the Board of Health and from the Conservation Commission.

SUPERIOR COURT
CIVIL ACTION
NO. CA90-2577

To RALPH J. CERULLI and SHERI H. CERULLI, 3 Water Street, Mattapoisett, MA.02739 and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended. NEW BEDFORD INSTITUTION FOR SAVINGS, a Massachusetts corporation having its usual place of business at 174 Union Street, New Bedford, MA.02740 claiming to be the holder of a mortgage covering real property situated in Mattapoisett in said County of Plymouth on Hi Ona Hill Road, given by RALPH J. CERULLI and SHERI H. CERULLI to NEW BEDFORD INSTITUTION FOR SAVINGS dated June 22, 1988 and recorded with Plymouth County Deeds, Book 8535 Page 80, has filed with said court a complaint for authority to foreclose said mortgage in the following manner, to wit: by entry and possession and by the exercise of a power of sale contained in said mortgage.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before April 1, 1991, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

Witness, Robert L. Steadman, Chief Justice of our Superior Court, the thirtieth day of January, in the year of our Lord one thousand nine hundred and ninety-one.

Heritage Plantation

A Pruning Workshop will be held at Heritage Plantation Monday March 11th, from 9:00 a.m. to 3:00 p.m. The workshop is co-sponsored by the Museum and the Cape Cod Landscape Associates. The two-part workshop is designed to give practical tips and take the mystery out of pruning.

Part one of the program features discussions on pruning methods of Trees and Shrubs, including vines and fruit trees, the National Arborists Association Standards of Pruning, Proper Equipment and Tool Sharpening.

Part two provides practical hands-on instruction and experience. Participants will work on the trees and shrubs of Heritage Plantation.

Instructors for this workshop include Jim Ingram, Cape Cod Manager, Bartlett Tree Experts; Peter Goetz and Neil Cowie, Representatives of Bartlett Tree Experts; Shawn Shea, Misty Hill Landscape Design; Jim Latimer, L & M Tree and Landscape; and Roberta Clark, County Extension Specialist.

The workshop is practical and educational and is well worth attending for both professionals in the landscape industry and the homeowner who wants to be sure the work

The Chieftains at Zeiterion

THE CHIEFTAINS, the most famous exponents of traditional Irish music, will perform at New Bedford's Zeiterion Theatre on Thursday, March 14th, at 8:00 p.m.

For over two and a half decades the Chieftains have explored a wealth of traditional Irish music, making it their own with remarkable virtuosity, exhilarating improvisation and irresistible charm. Their appearances on NBC's "Saturday Night Live" and on "The Tonight Show" with Johnny Carson were seen by millions of viewers, and the group broke all records for a live audience when they played for Pope John Paul II and 1,350,000 people at Phoenix Park in Dublin.

The Chieftains have recorded over 20 albums, including two collaborations with James Galway for BMG/RCA Victor Red Seal, "In Ireland", and "Over the Sea to Skye". In addition they have made an extraordinarily successful album entitled "Irish Heartbeat" with Van Morrison, and have also performed and recorded with such pop artists as The Rolling Stones, Art Garfunkel, Dan Fogelberg, Don Henley, Eric Clapton and Jackson Browne.

The members of the band are a fine collection of musicians, each proficient in a variety of traditional instruments. Paddy Moloney, pipe and whistle player and the leader of the band, was the driving force

behind the formation of the Chieftains. Martin Fay, the violin player of the group, combines his classical training with the heart and soul of a traditional player. Sean Keane, the fiddle player, also received classical training but found inspiration in the tunes of the great pipers. Derek Ball, who mainly plays the harp, is equally proficient on the oboe, cor angiais, dulcimer and piano. Kevin Conneff, who plays the bodhran, is the pulse of the group. Mat Molloy, the flutist, hails from County Roscommon, an area well known for its outstanding flutists.

Tickets for the Chieftains are $15.50, $19.50 and $23.50. Senior/student $2. discount. Group rates are available. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible.

The Chieftains is the second of three international performances presented with support from the Massachusetts Cultural Council as administered by the New Bedford Arts Lottery Council. The Zeiterion is also funded in part by the Arts Lottery Councils of Acushnet, Dartmouth, Fairhaven, Freetown, Marion, Mattapoisett, Rochester, Wareham and Westport, the City of New Bedford, and the New England Foundation for the Arts.

Wareham Garden Club

The March 14th meeting of the Wareham Garden Club will be held at the Old Methodist Meeting House at 12:30 p.m. and not at the Fellowship Hall as stated in the yearbook.

The program will be a panel of experts to inform the members what they can do about composting and recycling.

The winners for the February arrangement "Kitchen Magic" were Mary Ribeiro, first; Beverly Strawn, second. The Horticulture exhibit, "Aloe Plant", winners were Merilyn McFarlin, first; Mary Ribeiro, second; Diana Blondin, third.

March Artistic Exhibit is "Harbinger of Spring", a line design. Club participation is important if this part of our meeting is to be a success. The Horticulture specimen is a "Spider Plant".

President Christine Decas conducted the meeting and it was voted to send a child to summer camp for 2 weeks again this year.

New members welcomed into the club were Joanne Corbitt and Kathleen Sullivan, both of Wareham.

Refreshment committee for the March meeting will be Hostess Chairman Helen Cross, Diane Blondin, Cecilia Medeiros, Irma Murphy, Belle Anderson, Ruth Pope, Jane Reed, Mary Savignano and Diane Smith.

Vienna Choir Boys

AT ZEITERION, SATURDAY

The Vienna Choir Boys, the most popular choir ever to tour America, will perform at New Bedford's Zeiterion Theatre on Saturday, March 9th, at 8:00 p.m. Under the leadership of Bernhard Steiner, conductor-accompanist, the 24 choristers will perform songs from the works of Pergolesi, Verdi, Kreutzer, Swizberger, Schubert, Mozart, Kodaly and Strauss.

For nearly five centuries the Vienna Choir Boys have performed their costumed sacred songs and secular and folk music. The choir was founded by Imperial decree on July 7, 1498 by the humanist Emperor Maximilian I to fulfill his wish to have choristers in the Imperial Chapel. From its inception the choir has attracted the finest musicians in the west such as Christoph Willibaled Bluck, Wolfgang Amadeus Mozart and Josef Haydn. The greatest prodigy, and without a doubt the most famous choir-boy, was Franz Schubert, who sang as a choir boy from 1808 to 1813. In 1918, however, it seemed that the collapse of the Hapsburg dynasty and the dissolution of the Austro-Hungarian Empire would mean the end of the world-famous institution. Fortunately, Joseph Schnitt retained the chaplaincy of the Imperial Church and in 1924 he decided to re-found the boys choir. What he began as an experiment has grown to be an enormous success and the Vienna Choir Boys, as they are now

called, began to embark on concert tours around the world.

Anyone who has seen the boys perform soon realizes the secret of their fascination; they have managed to combine the naivete of childhood with artistic maturity. Those who wish to be considered for entry attend a special preparatory school where they receive a thorough education with special attention paid to the theory and practice of singing as well as instruction on one musical instrument. At the examination, which the candidates take at the age of nine, musical ability is the decisive factor, irrespective of creed and social standing. When they are selected they join a group of eighty boys who are divided into three choirs at the school. The three choirs take turns touring the world, with each tour lasting about three months. Since their first United States tour in 1932, the Vienna Choir Boys have visited America no fewer than 45 times and have completed numerous tours of Asia, Japan and Australia.

Tickets for the Vienna Choir Boys are $14.50, $18.50 and $22.50. Senior/student $2. discount. Group rates are available. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster locations or by calling Ticketmaster at (617) 931-2000.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible.

The Vienna Choir Boys is the first of three international performances presented with support from the Massachusetts Cultural Council as administered by the New Bedford
